Special Thanks from Mayor and Council

As a resident of Forest Heights for 18 years, it is truly an honor to be Mayor-Elect of our great town. I want to thank all the voters who turned out. I wanted to thank my fellow participants in the race. It was challenging! I want to thank God and pray for his continued guidance. I want to thank my biggest supporters, my husband Bill and my sons Tony and David and all of my other family members around this great country of ours for their support and prayers.

I want to thank those who worked on my campaign, all the supporters from each of the Wards and a special thank you to Steve and Emma Rowell, Charmaine Turner, Shaneese Little, and Mr. and Mrs. Kennedy. Without all of your support we could not have succeed.

As Mayor, I am going to work hard and diligently to meet our town's challenges. From bringing our citizens back together as a community, the water issues, the roads, to developing programs for the seniors and youth, and most importantly building the respect of our town within Prince George's County and the State of Maryland.

I vigorously pursued funding for the rehabilitation of the Towns Municipal Building and grounds to reduce the cost of these capitol projects to the taxpayers. I will continue to seek ways to leverage the funds of our town for projects and continue to work towards a more Sustainable community, to help us build a strong foundation and a "Legacy" for our children.

Elected officials are servants of the public and should act accordingly on the behalf of the people. Fellow residents, I assure you we all will; starting with the Mayor.

Jacqueline Goodall—Mayor

Residence of Ward I

I would like to thank those residents who chose to write my name in as a candidate for WARD I council. Over the next 2 years I look forward in proving to you, that you made a wise decision.

Robert O. Barns Jr.—Councilman Ward I

Residence of Ward II

My sincere and genuine appreciation for your vote and support on March 9. I take my councilmember position very seriously. I have always been a loyal and dedicated supporter of the Town of Forest Heights, and I will honestly execute my duties for which I haven elected. I am your representative.

Anne Reifsnieder—Councilwoman Ward II

Residence of Ward III

Thank you to those who participated in the recent election and a special thank you to those that elected me Ward 3 councilmember. I am humbled by the trust you continue to place in me and I look forward to future challenges and opportunities that we will face ahead together. I am always available to hear your comments and suggestions on improving our great town! Thank you once again for your continued support.

Bill Clarke—Councilman Ward III
